The following questions was submitted and answered (1).

Question

1. Incorporating fresh produce is critical to operating our program, and we work with a variety of farms throughout the Northeast to ensure quality, available product/reliability, and cost management to ensure pricing within SFSP reimbursement rate.

Will produce from farms outside of Massachusetts be allowable/acceptable for the SFSP program? (Page 4, Section H)

Answer

Produce must come from farms in **New England**.

All other details remain the same.
